# Indian Ceramic Society

82<sup>nd</sup> Annual Session of Indian Ceramic Society  
70<sup>th</sup> Annual Session of All India Pottery Manufacturers' Association  
44<sup>th</sup> Annual Session of Indian Institute of Ceramics  
National Symposium on Ceramics

9<sup>th</sup> & 10<sup>th</sup> January, 2019  
The Wave International  
Jamshedpur

**Organized by:**  
Indian Ceramic Society  
Jamshedpur Chapter

I am pleased to announce that the 82nd Annual Session of the Society in conjunction with the 70th Annual Session of All India Pottery Manufacturers' Association and 44th Annual Session of India Institute of Ceramics is proposed to be held at The Wave International, Jamshedpur on 9th & 10th January 2019 and will be hosted by the Jamshedpur Chapter of the Society.

As you know, the objective of the Annual Session is to provide a common forum for a large number of delegates from the field of ceramics, glass, refractories and allied materials from India and abroad and also to provide an opportunity to exchange thoughts and ideas, Participation of delegates from other ceramic societies abroad is also expected.

## Annual Technical Sessions

### Call for Papers

The Technical Session of the society will be devoted to oral / poster presentation of paper and will broadly cover the fields indicated in the proforma provided. Those who propose to present papers are requested to send the title and abstract in about 200 words, typed in double space, via the online link <http://incers.org/from/abstract-submission> and it also has been provided on the website: [www.incers.org](http://www.incers.org) within August 31, 2018. The abstracts will be subjected to primary screening by an Expert Committee. The decision regarding acceptance will be communicated to the respective authors in due course. The abstracts of the accepted papers will be printed in the souvenir.

The authors may kindly note that authors, who wish to publish full paper relevant to the submitted abstract, may submit full text of the paper to the Hony Editor by October 31, 2018 at the latest. The paper may be published in the Society's quarterly journal, "Transaction of the Indian Ceramic Society" in due course, if accepted through the peer review system. Any paper submitted to the Society and accepted for presentation shall be the property of the Society who hold the copyright Thereof.

### Students' Sessions

The society has introduced a session, especially for the students, since 1999, with a view to encourage their participation in the Oral Presentation of papers during the Annual Session of the Society. A maximum number of six (6) students (students of BTech and MTech only), from among the institutions of the country, would be selected on the merit of submitted full papers. (The participating student must be a MEMBERS of the Indian Ceramic Society). The papers are to be uploaded by the respective head of the institution in the online link provided on the website: [www.incers.org](http://www.incers.org) on or before August 31, 2018. An Expert Committee will scrutinize the papers and adjudge the merit. The decision of the Committee will be final and binding in the matter.

The selected students would be allowed to reimburse to-and-fro ordinary 2nd Class Sleeper Train Fare and their Registration Fee would be free. In case of joint authorship only one author would be considered. Certificates will be given for best presentations (1st, 2nd, & 3rd positions) along with cash awards.

### Registration

## About Indian Ceramic Society (InCers)

Indian Ceramic Society was founded on April 15, 1928 under the dynamic guidance of Pt. Madan Mohan Malaviya, a great educationist, with the primary objective of promoting friendship and co-operation among all those who are engaged in the manufacturing of ceramic products or in teaching of ceramic or in any other way connected with ceramic and interested in the advancement of knowledge, art and technology connected therewith. The Society has 13 Chapter with a membership of over 2000. The quarterly publication of the Society, 'Transaction of the Indian Ceramic Society' has an impact factor of 0.558 in 2016 and is copublished with Taylor & Francis Group (T&F), UK. Recently, the Indian Ceramic Society has come up to a collaborative partnership with the American Ceramic Society for mutual benefit and enhancement of both the Society.

## About All India Pottery Manufacturers' Association (AIPMA)

AIPMA was founded in the year 1948 by a group of entrepreneurs, led by Mr. G. Bhagat, a pioneer industrialist of the country. It is the forum for promoting and exchanging Knowledge in ceramic industry in India and to encourage its members to be partner in the development of pottery industry. The main objectives of AIPMA are to encourage the ceramic industry and to protect its interest. The members of AIPMA are basically from industry.

## About Indian Institute of Ceramic (IIC)

Founded in the year 1973, the major objectives of the Institute are to promote and advance the study and practice of Ceramic Science, Technology and Engineering in India, to extend knowledge and information connected with ceramics, to issue certificates by conducting examination as per prescribed syllabus etc. The Govt. of India has recognized that the degree in the Associated Membership Examination conducted by Indian Institute of Ceramic is equivalent to the first degree in Ceramics.

## JAMSHEDPUR - The Host City

Jamshedpur is the first planned industrial city of India, founded by late Jamshedji Nusserwanji Tata. It is also known as Steel City, Tata Nagar or simply Tata. It is located on the Chota Nagpur plateau and is surrounded by the picturesque Dalma Hills. The city is bordered by the rivers Subarnarekha and Kharkai on the north and west parts of the city. Several notable institutes like CSIR-National Metallurgical Laboratory, Xavier Labour Relations Institute, Mahatma Gandhi Memorial Medical College, National Institute of Technology, etc. are located here. Some of the major tourist attractions of the city are Jubilee park, Dimna Lake and Dalma Hills. The other important ones are Tata Steel Zoological Park, Chandil dam, Rivers Meet, Hudco Lake, Centre for Excellence (CFE), Sir Dorabji Tata Park, Bhuvneswari temple, etc. A small town named Ghatshila, which is famous for its scenic beauty, is some 40 Km from the city.

Jamshedpur features a tropical wet and dry climate. Summers start in mid-March and can be extremely hot in May and June. The temperature variation during summer is from 22°-45° C. Winters (November to February) are not severely cold when the average temperature extends from 6° to 28° C.

## Venue of event: The Wave International, Jamshedpur

The event will be held at "The Wave International" which is just 8 Km. away from main city of Jamshedpur. It is located 250 Km from the city of Kolkata and 110 Km. from Ranchi. It is well connected with these two cities by rail/road. The event location is situated in the heart of Dalma Hills, which is otherwise known as paradise for elephant. Beside elephant there are Indian giant squirrel, sloth bear, barking deer, wild boar, porcupine, mouse deer, pangolin and mongooses.
