CONFERENCE

The organizing committee cordially invites you to participate in the 83rd Annual Session of InCerS (InTeC-2019) in conjunction with the 71st Annual Session of All India Pottery Manufacturers' Association (AIPMA) and 45th Annual Session of Indian Institute of Ceramics (IIC) during 11-12 December 2019 which would be held at CSIR-NIIST, Thiruvananthapuram and hosted by the InCerS Kerala Chapter in association with CSIR-NIIST, Thiruvananthapuram. The objective of the Annual Session is to provide a common forum and an opportunity for a large number of delegates, working in the various fields related to ceramics, glass, refractories, and allied materials to exchange and intake ("InTeC") the enriched thoughts and ideas. The participation of delegates from India as well as abroad is expected. The conference would create awareness on the current research and industrial developments associated with the ceramic materials, processes, and products. This would bring young researchers, scientists, and industrialists together to discuss and exchange innovations and technologies, thus creating an environment for collaborative endeavours in multi as well as interdisciplinary areas related to ceramics. Technical sessions would be organized with resourceful memorial, plenary, and keynote lectures followed by invited and contributed talks by eminent speakers in the field as well as poster presentations by young researchers in the areas related to ceramic materials.

THEMES

- Industrial ceramics
- Societal / traditional ceramics
- Glass ceramics
- Biomedical ceramics
- Refractory ceramics
- Magnetic ceramics
- Electro ceramics
- Functional ceramics
- Nano ceramics
- Ceramic composites
- Ceramics for hydrogen energy
- Ceramics for solar energy
- Ceramics for nuclear energy
- Ceramics for batteries
- Ceramics for space
- Ceramics for defence
- Ceramics for environment / water
- Ceramics for construction
- Ceramics for emerging applications

CALL FOR PAPERS

Technical Sessions of InTeC-2019 will be devoted to oral / poster presentations of papers and will broadly cover the fields indicated in the Conference Themes. Those who propose to present papers are requested to submit the title and abstract, on or before 15-September-2019, using a template which can be downloaded through the on-line link provided on the web-site: www.incers.org. The abstracts will be subjected to primary screening by the Expert Committee. The decision regarding acceptance will be communicated to the respective authors in due course. The abstracts of accepted papers will be printed in the souvenir. Authors may kindly note that those who wish to publish full paper, relevant to the accepted abstract, may submit the full text of paper to the Hony Editor by 30-November-2019 at the latest. The papers may be published in the Society's quarterly journal, "Transactions of the Indian Ceramic Society", in due course if accepted through the peer review system. Any paper submitted to the Society and accepted for presentation shall be the property of the Society who will hold the copyright thereof.

STUDENTS' SESSION

A special session for the B.Tech./M.Tech. students (members of InCerS) would be conducted during the Technical Sessions with a view to encourage their participation in the Oral Presentations of papers. The papers are to be forwarded by the respective Head of the Institution. Expert Committee would scrutinize the papers and adjudge the merit. The selected students would be reimbursed to-and-fro ordinary 2nd Class Sleeper train fare and their registration fee would be waived. In the case of joint authorship only one author would be considered. Certificates would be provided to the best presentations (1st, 2nd, and 3rd positions) along with the cash awards.
