About the Event

The organizing committee invites you to participate in the 85th Annual session of Indian Ceramic Society (InCerS) in conjunction with 47th Annual Session of IIC and 73rd Annual Session of AIPMA during 13-14, December, 2021. This year the Annual session will be held at PDA College of Engineering, Kalaburagi, Karnataka-585102 and is organized by Indian Ceramic Society, Karnataka Chapter. The Annual session includes an International Virtual Conference on “**Advances in Ceramics & Cement Technologies: Materials & Manufacturing**”. The objective of the conference is to share and exchange ideas on research and development in the above fields and its applications in industries. Due to COVID-19 pandemic situation, except the inaugural and valedictory events all other technical sessions will be held in virtual mode. Researchers, Scientists, Professors, Students and Industry personnel from different parts of the country and abroad will share their experience in these areas to create a platform for futuristic collaborations between Research Institutes, Universities and Industry. In this conference, different technical sessions will be organized with invited and contributory lectures by eminent speakers in their respective fields like glass, cement & ceramic materials. There will be two special sessions viz: (1) Manufacturing & material issues in Cement Industries (2) Entrepreneurship & Start ups in Ceramic field that will be held in this conference. We hope this conference will promote basic understanding and ultimately enable advancements in multiple sectors, including energy, environment, manufacturing, security and health care.

About Indian Ceramic Society

Indian Ceramic Society (InCerS), a non-profit organization, in the fields of ceramic industry and education, was established in the year 1928 with the blessings and active support of Pandit Madan Mohan Malaviya, the main architect for establishing the Banaras Hindu University (BHU), Varanasi, and with the ardent efforts of a few dedicated leaders, namely, Sirdar Krishen Singh (Inaugural Chairman), Mr T. W. Talwalkar (Inaugural Secretary), Mr Satyasundar Deb (First President) and Dr N. N. Godbole (the then Pro-Vice-Chancellor of Banaras Hindu University). Indian Ceramic Society was founded with the primary objective of promoting friendship and co-operation among all those who are engaged in the manufacturing of ceramic products or in teaching of ceramics or in any other way connected with ceramics and interested in the advancement of knowledge, art and technology connected therewith. The Society has 13 Chapters with a membership of over 2000. The quarterly publication of the Society, ‘Transactions of the Indian Ceramic Society’ is co-published with Taylor & Francis Group (T&F), UK. Recently, Indian Ceramic Society has come up to a collaborative partnership with American Ceramic Society for mutual benefit and enhancement of both the societies. More details at www.incers.org.

About Indian Ceramic Society Karnataka Chapter

Indian Ceramic Society Karnataka Chapter (ICSKC), a registered non -profit body (erstwhile Indian Ceramic Society Bangalore Chapter started in 1977) is one of the very active chapters and has won the coveted Best Chapter award many times (10 times in last 2 decades). The chapter also boasts of several other awards to members, which includes young scientist award, Refractory Technologies Award, RL Thakur memorial Award, etc., ICSKC has a membership of more than 200 ceramic and advanced material professionals drawn from academics, research and Industry.
