

Freshers Welcome and Membership Drive Report: Indian Ceramic Society (InCerS)

29th August 2024, Thursday

In a warm and enthusiastic celebration, the Indian Ceramic Society (InCerS) hosted a Freshers Welcome and Membership Drive on the 29th of August 2024 at LT2, Ceramic Engineering Department, IIT BHU. The event aimed to introduce the freshers to the Ceramic Engineering Department while encouraging them to become active members of InCerS.

The Freshers Party was marked by an atmosphere of excitement as the new batch of students was welcomed with open arms. The speakers highlighted the society's role in fostering professional development, networking, and collaboration among students, faculty, and industry professionals.

Key Highlights of the Event

1. Welcome Address

- The event commenced with a welcome address by our Head of the Department, Dr. Ashutosh Kumar Dubey, who shared insights into the history and achievements of the department along with informing the students about the centenary celebrations planned this year.

2. Introduction to InCerS

- Following the welcome address, a presentation was given on the various activities and initiatives organized by InCerS throughout the academic year. This included seminars, workshops, industry visits, and conferences, all aimed at enriching its members' academic and professional experiences.
- The benefits of joining InCerS were outlined, with a special focus on the networking opportunities it provides, both within the academic community and with industry leaders.

3. Membership Drive

- A key component of the event was the membership drive, where freshers were invited to become members of InCerS. The process of joining was explained, and goodies were provided as a welcome gesture from the student chapter.
- The importance of active participation in InCerS activities was stressed, with the promise that membership would greatly enhance their academic journey and future careers.

4. Fun and Networking Activities

- The event also featured a series of fun activities designed to break the ice and encourage interaction among the new students with the senior students and the other society members. These activities encouraged bonding among the students and informal discussions with senior students.
- Refreshments were served, allowing participants to relax and socialize in a casual setting. This provided a great opportunity for the freshers to get to know each other and the senior members of the department.

Conclusion:

The Freshers Welcome and Membership Drive by InCerS successfully achieved its goal of integrating new student members. The evening concluded with a sense of excitement and anticipation for the academic journey ahead, with many students expressing their eagerness to contribute to and benefit from their involvement in InCerS.

The society looks forward to the active participation of the new members and is excited about the fresh ideas and energy they bring to the table.
